ORGANIZATION BACKGROUNDS

Welcome Toledo-Lucas County (TLC) is a collaboration of community partners housed in the Board of Lucas County Commissioners working to build a more welcoming and inclusive community for immigrants and people of diverse cultures. Welcome TLC efforts are governed by a steering committee of community partners and four working committees focused on legal services, community outreach, language access, and workforce and economic development.

Local Initiatives Support Corporation (LISC) is dedicated to helping community residents transform distressed neighborhoods into healthy and sustainable communities of choice and opportunity — good places to work, do business and raise children. LISC combines corporate, government and philanthropic resources to help community-based organizations revitalize underserved neighborhoods.
