United Way of Greater Toledo and Local Initiatives Support Corporation are seeking a Quarter Time member to serve as a Community Engagement Assistant. The candidate will ideally begin service on October 1, 2016 and serve a minimum of 450 hours through the end of his/her term on July 31, 2017.

ORGANIZATION BACKGROUNDS

United Way of Greater Toledo is a collaboration of community volunteers, health and human-service providers and donors throughout Lucas, Wood and Ottawa counties who are committed to changing lives. We work together to solve issues no single donor, charity or government agency can address alone. Over the past several years, United Way convened stakeholders from throughout the region to identify areas of great community need and developed LIVE UNITED 2020 five year community wide goals. Strategies have been identified in the intertwined focus areas of Education, Income, and Health that we must collectively focus on to achieve these goals.

Local Initiatives Support Corporation (LISC) is dedicated to helping community residents transform distressed neighborhoods into healthy and sustainable communities of choice and opportunity — good places to work, do business and raise children. LISC combines corporate, government and philanthropic resources to help community-based organizations revitalize underserved neighborhoods. This strategy extends to the LISC AmeriCorps program where we support placing AmeriCorps Members with local non-profit partners. Members assist in efforts to revitalize underserved neighborhoods across America and create vibrant places for people to live, work, and play.
