### MONEY TIP OF THE MONTH:

Skip the pricey gifts and get creative this Valentine's Day by making your own "love coupons" for things like on-demand chores, free babysitting for a friend, long walks in the park, foot rubs for that special someone...you name it! The possibilities are endless. For inspiration, check out [www.thedatingdivas.com](http://www.thedatingdivas.com). Or if you're single and sick of the whole love bird scene, treat yourself to a cheap night of fun with like-minded folks at The Ohio Theatre screening of the 80's cult-classic *My Bloody Valentine*. Tickets are just \$8 in advance and include pre-show activities and entertainment. Visit [www.ohiotheatretoledo.org](http://www.ohiotheatretoledo.org) for more info.
